THE ALL STAR CAST ✓

A huge gathering of a local talent were giving a big show at the Jungle Opera House. Like all good shows, every one was anxious to gain admittance many even "sneaked in" the back way.

The big show opened strong with Prof. Cat and his trained dogs including the Weenie Bros.

Every act was a very pleasing number, until Flossie cat came out. Flossie in the midst of her performance fainted. The stage manager calmed the distrubed audience and made them step back. However it seems that Flossie was not so very ill for she escapes through the crowd with many watches. The moral is "Lookout for your watch when a lady faints".
